CURRICULUM VITAE

Name and Address:

Ricardo González

E-mail: ricardo_gonzalez33154@yahoo.com

E-mail: Ricardo.Gonzalez@kispi.uzh.ch

Place of Birth:

Buenos Aires, Argentina

Citizenship:

USA

Argentina

Resident of Germany

Spouse:

Dr. Barbara M Ludwikowski

Present Positions:

2002- Professor of Urology
Thomas Jefferson University
Philadelphia, PA

2006- Senior Consultant Pediatric Urologist
Leitender Arzt
Department of Pediatric Surgery/Urology
Kinderspital Universität Zürich
Zürich, Switzerland

2006- International Consultant Pediatric Urologist.
Hospital Italiano.
Buenos Aires, Argentina

2010- Consultant Pediatric Urologist.
Hannoversche Kinderheilstalt
Kinder- und Jugendkrankenhaus auf der Bult
Hannover, Germany

2010- Consultant Pediatric Urologist (Leitender Oberarzt)
Medizinisches Hochschule Hannover (MHH)
Kinderchirurgie Abteilung
Hannover, Germany

13.02.2012

2

2012- Consultant Urologist.
Departments of Urology and Pediatric Surgery.
Univesitätsmedizin Berlin. Charité.
Berlin, Germany.

Board Certification:

1976 - American Board of Urology.
2008- 2018. Certificate of Special Competence in Pediatric Urology (American Board of Urology)

Fellowships:

American Academy of Pediatrics (Senior Fellow)
Society for Pediatric Urology

Academic Positions:

At Thomas Jefferson University

2002-.present. Professor of Urology
2002-2008. Director of Pediatric Urology Fellowship

At the University of Zürich, Switzerland:

2006. April to September. Visiting Professor. Department of Pediatric Surgery

At the University of Miami.

2000-2002. Professor of Urology
2000-2002. Professor of Pediatrics

At Wayne State University:

1994 -1999. Professor of Urology
1994 –1999. Director of Pediatric Urology Fellowship

At the University of Minnesota:

1985-1994. Professor of Urologic Surgery
1993-1994. Professor of Pediatrics
1978-1985. Associate Professor of Urologic Surgery
1976 1978. Assistant Professor of Urologic Surgery
1974-1976. Instructor of Urologic Surgery

Languages:

Spanish, English, German.
Italian, Portuguese. Reading and understanding.

Education

13.02.2012

3

1959- Bachellor, Colegio Nacional de San Isidro, San Isidro, Buenos Aires.
Argentina

1965- M.D. Facultad de Medicina, University of Buenos Aires, Buenos Aires,
Argentina

1971- 1974 - Graduate Studies, Department of Biochemistry. University of Minnesota

Postgraduate Training:

1966- 1968. Resident. Department of Surgery. Hospital Militar Central. Buenos
Aires, Argentina (Drs. Cal and Stel)

1968- 1969. Research Fellow. Department of Surgery. University of Minnesota (Prof.
Dr. OH Wangenstein)

1969- 1970. Intern. Department of Surgery. University of Minnesota (Prof. Dr. JS
Najarian)

1970- 1974. Medical Fellow (Resident) Department of Urologic Surgery. University of
Minnesota (Prof. Dr. EE Fraley)

Hospital Appointments:

In Switzerland.

2007- Leiterden Artz.

Pediatric Surgery/Urology

University Children's Hospital, Zurich.

2006. Acting Chief of Pediatric Urology (Leitender Artz). Kinderspital. University of
Zürich.

In Germany.

2010- Consultant Pediatric Urologist.

Auf der Bult Kinder und Jugendkrankenhaus

Hannover, Germany

Senior Consultant Pediatric Urologist

Leitender Artz

Department of Pediatric Surgery/Urology

Kinderspital Universität Zürich

Zürich, Switzerland

Consultant Pediatric Urologist.

Hannoversche Kinderheilanstalt

Kinder- und Jugendkrankenhaus auf der Bult

Hannover, Germany

2011. Consultant Pediatric Urologist (Leitender Oberartz)

Medizinisches Hochschule Hannover (MHH)

Kinderchirurgie Abteilung

Hannover, Germany

13.02.2012

4

2012. Consultant Urologist.
Department of Pediatric Surgery, Virchowsklinikum.
Univesitätsmedizin Berlin. Charité.
Berlin, Germany.

In Argentina.

2008- International Consultant Pediatric Urologist.
Hospital Italiano.
Buenos Aires, Argentina

In the USA:

In Delaware.

2002-2009. A.I. duPont Hospital for Children
2003-2009. -.Christiana Hospital.

In Pennsylvania.

2003-2009. Thomas Jefferson University Hospital
2003. 2009. Main Line Hospitals

In Florida.

1999-2002. Jackson Memorial Hospital
Chief of Pediatric Urology
2000-2002. Cedars Hospital.
2001-2002. Broward General Hospital

In Michigan.

1994-1999. Children's Hospital of Michigan
Chief of Pediatric Urology
1994-1999. Harper Hospital
1994-1999. Grace Hospital
1995-1999. Henry Ford Hospital
1996-1999. William Beaumont Hospital

!

In Minesota

1974- 1994. Attending Urologist. University of Minnesota Hospital
1979- 1994. Active Staff. Minneapolis Children's Medical Center
1993. Acting Chairman of Urologic Surgery
1984- 1994. Courtesy Staff. Saint Paul Children's Hospital
1987- 1994. Courtesy Staff. Gillette Children's Hospital.
1988- 1994. Courtesy Staff. Saint Paul Ramsey Hospital
1989- 1994. Courtesy Staff. Abbott Northwest Hospital

Urology

Offices:

American Confederation of Urology (CAU). 1993 - 1995 . Representative to AUA.
American Urological Association. 1997-present. Audiovisual Committee.
Panamerican Medical Association. 1996. President. Section on Urology
 Section on Urology. American Academy of Pediatrics. 1985, 1987, 1988. Program
 Committee. 1995- 1998. Executive Committee
Sociedad Latinoamericana de Urología Infantil (SLAUI)1987- 1992. Treasurer
 1992-1996 Vicepresident. 1996 - 1998. President.
Sociedad Iberoamericana de Neuro-Urología y Uroginecología (SINUG)1991-
 present. Vicepresident.
Sociedad Argentina de Pediatría. 1991 Committee on Urology
Sociedad Iberoamericana de Urología Pediátrica. (SIUP)1993- 1995. Vicepresident.
 1995- 1998. President.
Sociedad Iberoamericana de Urología Pediátrica. (SIUP) Presidential committee.
 2008.

Teaching Activities:At Thomas Jefferson University.

2002- 2009. Instruction to Urology Residents and Medical Students.
 2002-2008. Director of Pediatric Urology Fellowship Program.(ACGME approved)

At the University of Zürich.

2006- and 2008- Instruction to pediatricians and pediatric surgeons in training.

At the University of Miami.

2000- 2002. Instruction to pediatric urology fellow, urology residents and medical
 students.

At Wayne State University

1994- 1999. Pediatric Urology lectures to 3rd year students
 1994- 1999. Instruction to urology residents (Wayne State University and Henry Ford
 Hospital)
 1995- 1999. Director of Pediatric Urology Fellowship Program. (ACGME approved)

At the University of Minnesota

1989- 1993. Director Residency Training Program in Urology
 University of Minnesota
 1982-1994. Director of Pediatric Urology Fellowship.
 1974- 1983. Lecturer Kidney and Urinary Tract Course. Phase B Medical Students
 1974- 1994. Instructor. Phase D Medical Students
 1978- 1983. Urology Coordinator. Kidney and Urinary Tract Course. Phase B
 Medical Students. University of Minnesota Medical School
 Advisor to Medical Students
 1975- 1976. Instructor. Urology Residency Program. Saint Paul Ramsey Hospital

Fellows trained in Pediatric Urology:

1. Yuri Reinberg. Pediatric Urologist. Minneapolis. Former faculty, University of Minnesota.
2. Francisco de Badiola. Chief of Pediatric Urology. Hospital Italiano de Buenos Aires. Medical School Faculty, Italian Hospital .
3. Helio Buson. Pediatric Urologist. Brasilia, Brazil.
4. Christina Froemming. University of Porto Alegre. Porto Alegre, Brazil.
5. John Kryger. Associate Professor of Urology. University of Wisconsin.
6. Barry Duel. Former Assistant Professor. University of California. Irvine.
7. Andrew L Freedman. Pediatric Urologist. Los Angeles. CA. Clinical faculty. UCLA.
8. Churpheena Reed. Pediatric Urologist. Peoria Ill.
9. Roman Jednak.(1999-2001) Assistant Professor. Mc Gill University. Montreal, Canada.
10. Thomas Vates. Pediatric Urologist. New Brunswick,. New Jersey.
11. Beatriz Cabral. Pediatric Urologist. São Paulo. Brazil.
12. Murat Dayanc. Professor of Urology, Hacettepe University. Ankara, Turkey.
13. Robert Allen. Pediatric Urologist. US Army. Tacoma. WA, now practicing in Alaska
14. Ubijara Barroso. University of Salvador. Salvador, Bahia. Brazil
15. Enrique Denes,(1995) pediatric Urologist, Hospital R Elizalde, Buenos Aires, Argentina
16. Julie Franc-Guimond. (2002-4) Associate Professor, University of Montreal
17. Lisandro Piaggio. (2004-6), practice in Bahia Blanca, Argentina
18. Mark Wehry (2006), practicing in Pensacola, FL
19. Amos Neheman,(2007) Haifa, Israel
20. Monica Metzdorf. (2009) Kaiser Permanente. Los Angeles, CA.

Fellows trained in Neuro-urology:

David Castro. Professor of Urology. Universidad de la Laguna. Tenerife, Spain.

A Amy Sidi. Associate Professor of Surgery and Urology. Tel-Aviv University
Sackler Faculty of Medicine. Chairman, Department of Urologic
Surgery. The Edith Wolfson Medical Center. Holon, Israel

Doctoral Thesis Advisor.

At the University of Minnesota, USA. Dr. Rei K Chiou. 1987

At the University of Alexandria, Egypt. Dr Waleed Dawood. 2011

Administrative Duties and Committees:International.

1998. World Health Organization. Member of First international Consultation on Incontinence. Committee on Surgical Treatment in Children. Monaco.

2004 .Executive Committee. Journal of Pediatric Urology

National.

1999- 2001. North American Task Force on Intersexuality.
1996-1999. Executive Committee. Section on Urology. American Academy of Pediatrics.
1997-present. Pediatric consultant. Audiovisual Committee. American Urological Association Education Council.
1995-present. Fellowship Directors in Pediatric Urology Group.

At A.I duPont Hospital for Children.

2002-2008. Director of ACGME approved Pediatric Urology Fellowship.
2002-2008. Graduate Medical Education Committee.
2007. Emergency Department Internal Review Committee

At the University of Miami.

Chief, Division of Pediatric Urology
Promotions and Tenure Committee
UMCA Governing Board
Search committee for the Chair of Pediatrics.

At Children's Hospital of Michigan.

1995-1999. Chief of Pediatric Urology
Director of Pediatric Urology Fellowship
Medical Executive Committee
Surgery Committee
Operating Room Committee
Research Committee
President, Pediatric Urology PC.

At Wayne State University.

1994-1995. Department of Urology. Internal review committee.

At the University of Minnesota and its Hospitals

Director of Pediatric Urology
Director of Urology Residency Program. 1989- 1993
Tissue and Procedures Committee (Chairman) 1988-1994
Child Abuse and Neglect Committee
Operating Room Committee
Quality Assurance Steering Committee
Outpatient Committee
Grievance Committee. College of Pharmacy. University of Minnesota
Physician Advisory Board. Minneapolis Children's Medical Center
1980- 1990. Director of Graduate Studies. Department of Urologic Surgery.
University of Minnesota.
Interview of Medical School Applicants. University of Minnesota

Other

1985- 1994. Medical Advisory Board. National Kidney Foundation of the Upper

Midwest

1989- 1994. President. Pediatric Urology and Nephrology Foundation, Minnesota.

1995- 2002. President. Pediatric Urology P.C. Michigan.

Research Grants:

1976- 1978. USPHS Ca 18256. Sterol metabolism in Human Renal Cell Cancer. Co-principal Investigator

1976- 1978. Minnesota Medical Foundation. Sterol Metabolism in Cancer. Principal investigator

1979- American Cancer Society. Institutional Research Grant Lipoprotein Receptors in Human Renal Cell Cancer

1981- American Cancer Society. Sterol Carrier Protein in Renal Cell Cancer

1982- 1984. Graduate School. University of Minnesota. Effect of In-Utero Decompression of Obstructive Uropathy upon the Development of the Urinary Tract. Principal Investigator

1984- Minnesota Medical Foundation. Prenatal Treatment of Urinary Obstruction. Principal Investigator

1991- Minneapolis Children's Medical Center. Cancer Development in Bladder Augmentation. Principal Investigator. \$ 6,000

1995. Further studies on seromuscular colocoloplasty. Intramural grant. Children's Hospital of Michigan. Principal Investigator. \$ 25,000

1995. Study of molecular markers in urinary obstruction. Wayne State University. \$10,000. Principal Investigator.

1997- Renal PET for diagnosis of significant obstruction of the pediatric urinary tract. Intramural grant. Children's Hospital of Michigan. Principal investigator. \$ 25,000

Professional Societies:

In the USA:

American Academy of Pediatrics (Senior Fellow)
 American Urological Association (Senior Member)
 Minnesota Urological Society (1975-1995)
 Michigan Medical Society (1994-1999)
 Michigan Urological Society (1994-1999)
 North Central Section of the American Urological Association (Till 1999)
 South Eastern Section of the American Urological Association (1999-2002)
 Mid-Atlantic Section of the American Urological Association.(2002-present)
 Society for Pediatric Urology (Fellow)
 Urodynamic Society
 Wayne County Medical Society (1994-1999)
 Delaware Medical Society (2002-2006)

International:

Confederación Americana de Urología
 European Society of Paediatric Urology Ordinary (Honorary)
 European Association of Urology. (Corresponding)
 Pan American Medical Association
 Sociedad Iberoamericana de Neurourología y Uroginecología
 Sociedad Latinoamericana de Urología Infantil (1974-1998)
 Societé International d'Urologie
 Sociedad Iberoamericana de Urología Pediátrica
 Society for Pediatric Urologic Surgeons (by invitation,1994.)

Outside the USA:

Swiss Society for Paediatric Surgery (Corresponding, 2006)
 Colegio Mexicano de Urología (Honorary)
 Confederación Argentina de Urología (Honorary)
 Sociedad Argentina de Cirugía Transuretral (Honorary)
 Sociedad Argentina de Urología (Corresponding)
 Sociedad Argentina de Cirugía Infantil (Corresponding)
 Sociedad Venezolana de Espina Bífida (Honorary)
 Sociedad Chilena de Urología (Corresponding)
 Sociedad de Urología de Rosario (Argentina) (Honorary)
 Swiss Pediatric Urology

Postgraduate Courses:

Program Chairman or Director

1979- Second Biennial Leadbetter Symposium. University of Minnesota. Minneapolis,

MN

1981- Third Biennial Leadbetter Symposium. Pediatric Urology University of Minnesota. Minneapolis, MN

1984- Postgraduate Course. Reconstructive Urologic Surgery Confederación Argentina de Urología. Río Cuarto, CBA, Argentina

1986- Postgraduate Course. Advances in Urology. Confederación Argentina de Urología. Mendoza, Argentina

1989- Postgraduate Course. Pediatric Urology. Confederación Argentina de Urología. Corrientes, Argentina

1991- First Interamerican Meeting on Pediatric Urology. Panama, Panama

1993- Second Interamerican Meeting on Pediatric Urology Viña del Mar, Chile

1995- Co-Organizer. 6th meeting of the European Society for Pediatric Urology (ESPU) and 3rd meeting of the Sociedad Iberoamericana de Urología Pediátrica (SIUP), Toledo, Spain.

1995- Advances In Pediatric Urology. Children's Hospital of Michigan and Wayne State University. Detroit, MI

2000. European Society for Pediatric Urology. Program committee for joint meeting with the Section on Urology, American Academy of Pediatrics. Tours, France

2000. Sociedad Iberoamericana de Urología Pediátrica. Chairman of scientific committee. Annual meeting. Buenos Aires, Argentina

Visiting Professorships

United States and Canada: (since 1987, 19 Universities)

1987. Wayne State University, Children's Hospital of Michigan, Detroit MI

1988. William Beaumont Hospital. Detroit MI

1989. University of Missouri, Columbia MO

1990. Medical College of Wisconsin. Milwaukee WI

1991. Ohio State University. Columbus OH

1991. University of Wisconsin. Madison WI

1994. Harvard University. Boston Children's Hospital. Boston MA

1995. Baylor University. Children's Hospital of Texas and the Texas Urological Society. Houston TX

1995. University of Washington, Children's Hospital of Washington and Department of Urology, Seattle, WA.

1995. John Hopkins University and the Maryland Urologic Society, Department of Urology,

1995. University of Illinois, Department of Urology. Peoria, Ill.

1996. University of California, San Francisco and the Northern California Urological Society. Department of Urology.

1996. University of North Carolina Department of Urology, Chapel Hill, NC.

1998. Cornell University. Robert Lavengood Visiting Professor. Department of Urology. New York.

1998. University of Cincinnati. Department of Pediatric Surgery. Visiting Professor.

2000- Department of Urology. University of Montreal. Hôpital Sainte-Justine. Montreal, Canada

2001. Thomas Jefferson University, Philadelphia, PA and A.I. duPont Hospital for Children. Wilmington, DE. L William Ferris lecturer and Visiting Professor.

2001- Department of Urology. Mc Gill University. Montreal, Canada
 2003. State University of New York. Upstate Medical University. Pfizer Visiting Professor. Syracuse ,NY
 2005. - Department of Urology. University of Montreal. Hôpital Sainte-Justine.Montreal, Canada
 2007. Department of Surgery. University of South Dakota. Sanford School of Medicine. Sioux Falls,SD

Outside the USA and Canada:

1986- Hospital de Clinicas. Universidade de São Paulo, São Paulo, Brasil
 1987- University of La Laguna. Tenerife, Spain
 1988- Hospital Leonidas Lucero. Bahia Blanca, BA, Argentina
 1988- West China University. Chengdu, China
 1989- Academy of Medical Sciences of Catalunya. Barcelona, Spain
 1989- Spanish Urological Society. Madrid, Spain
 1990- Hospital Italiano. Buenos Aires, Argentina
 1991- Fundación Puigvert. Barcelona, Spain.
 1993- Ospedale "R Alfieri". University of Milan, Milan, Italy
 1994- Universidad Autónoma de Madrid. Hospital Infantil "LaPaz". Madrid, Spain
 1995- Hacettepe University, Ankara, Turkey.
 1995- Update in Pediatric Urology. Rudolfstiftung and the Ludwig Boltzmann Institute of Extracorporeal Surgery and Endourology. Vienna, Austria
 1995- Sanatorio de Niños de Rosario. Rosario, Argentina
 1995- Hospital San Juan de Dios, Caracas, Venezuela
 2003.- Chinese University of Hong Kong. Department of Pediatric Surgery. Visiting Professor. Hong Kong, China.
 2003 – Department of Urology, University of Vienna. Visiting Professor. Vienna. Austria.
 2004 - Department of Urology, University of Vienna. Visiting Professor. Vienna. Austria.
 2005 - Department of Paediatric Surgery, University Children's Hospital. Visiting Professor. University of Zürich, Zürich, Switzerland
 2005- Department of Urology. University of Belgrade Children's Hospital. Belgrade. Serbia and Montenegro.
 2006. Department of Paediatric Surgery. University Children's Hospital, University of Zürich. Zürich, Switzerland.
 2010. Department of Paediatric Surgery Università Gabriele D'Anunzio. Chieti and Pescara. Italy.
 2010. Department of Urology University of Alexandria, Egypt.

Visiting Surgeon.

(Performed surgical demonstrations in pediatric and reconstructive urology, mainly surgery for urinary incontinence, bladder exstrophy and genital reconstruction in 68 cities in 20 countries)

Selected Invited Lectures and Presentations (since 1987)

1987- Michigan Urological Association. Royal Oak, MI

1987- Curso y Jornada de Actualizacion en Urología y Cirugía Pediátrica Dr. Gabriel Suarez. Valencia, Venezuela

1987- Congreso Argentino de Urología. Buenos Aires, Argentina

1987- Sociedad Latinoamericana de Urología Infantil. (Panel moderator)San Juan, PR

1987- Simposio Internacional de Urodinámica y Esfínteres Artificiales. San Carlos de Bariloche, Neuquén, Argentina

1988- Curso Postgrado para Urólogos Latinoamericanos. Buenos Aires, Argentina

- 1988- Societe International d'Urologie (Session chairman and panel member)
Buenos Aires, Argentina
- 1989- 34th Annual Urology Seminar. Columbia School of Medicine Kansas City MO
- 1989- American Academy of Pediatrics Section on Urology. Discussion of papers on bladder augmentation. Chicago Ill
- 1989- Society for Pediatric Urology (Panel member). Dallas, Tx
- 1989- Curso Nacional de Nefrourología Pediátrica Profesor Benardo Ochoa. Cali, Colombia
- 1990- Sociedad Chilena de Cirugía Pediátrica. Santiago, Chile
- 1990- Sociedad Española de Urología. Santiago de Compostela, Spain
- 1990- Urologic Society for Renal Transplantation. Invited speaker. New Orleans, LA
- 1990- National Kidney Foundation. Invited speaker. Washington, DC
- 1991- Sociedad de Neurourología y Uroginecología. Calvia, Spain.
- 1991- Societe International d'Urologie. Session Chairman.
Seville, Spain.
- 1991- Sociedad Argentina de Cirugia Infantil. Cordoba, Argentina
- 1991- Confederacion Argentina de Urologia. Mar del Plata, Argentina
- 1992- Hospital Ezequiel Gonzalez. Urinary incontinence Santiago, Chile.
- 1992- 1era Jornada Sul Brasileira de Urologia Pediatrica. Joinville, SC Brazil
- 1992- XXVI Incontro. Sezione di Urologia Pediatrica. Societa Italiana di Urologia.
Florence, Italy.
- 1992- Jornada de Actualizacion Urologica. Hospital Universitario de Canarias. Santa Cruz de Tenerife, Spain
- 1992- II Congreso de la Sociedad Gallega de Urología. La Toja, Spain
- 1992- I Curso Internacional de Urologia Pediatrica. Universidad Autonoma de Tamaulipas. Mexico
- 1992- Spanish Spina Bifida Association, Malaga, Spain
- 1992- American Academy of Pediatrics. Section on Urology. Moderator of Session on Gastrocystoplasty. San Francisco, CA
- 1992- American Urologic Association. South Central Section. Invited Speaker. Galveston, Texas
- 1992- Sociedad Argentina de Cirugía Infantil. Invited Speaker. Buenos Aires, Argentina
- 1992- National Institute of Diabetes, Digestive and Kidney Diseases. Workshop on Hydronephrosis in the Neonate. Invited Speaker. Arlington, VA.
- 1993- Sociedade de Urologia de Rio Grande do Sul. Invited speaker. Porto Alegre, RG, Brasil
- 1993- Postgraduate Course. University of South Florida. Tampa, FL
- 1993- Society for Pediatric Urology. Invited Speaker. San Antonio, TX. Surgical correction of female ambiguous genitalia.
- 1993- American Academy of Pediatrics. Moderator. Session on Exstrophy and Augmentation. Washington DC
- 1993- American Urologic Association. North Central Section Moderator. Session on Pediatric Urology.
- 1993- First International Congress on Pediatric Transplantation. Invited speaker: Urologic Perspectives in Pediatric Renal Transplantation, and, co-chairman of idney session 1 B. Minneapolis MN
- 1993- University of Milan, Italy. Hydronephrosis in the Newborn.
- 1993- Sociedade Brasileira de Urologia Invited Speaker. São Paulo. Brasil.
- 1994- Sociedad Española de Urología. XV National Meeting on Renal Transplantation.

Puerto de la Cruz, Tenerife, Spain. Renal transplantation in children with urologic anomalies.

1994- Society of Reconstructive Genitourinary Surgeons. San Francisco, CA. Artificial urinary sphincters in epispadias.

1994- Colegio Mexicano de Urología. Invited Speaker. Zacatecas. Mexico

1994- Sociedad Iberoamericana de Neurourología y Uroginecología. Panel on Continent Diversions. Cancun. Mexico

1995- Ulusal Pediatrik Üroloji Kongresi. Hacettepe University. Ankara, Turkey. 1). New developments in bladder augmentation. 2) New factors in the treatment of hydronephrosis.

1995. Update in Pediatric Urology. Vienna, Austria. 1) Hydronephrosis: Dilatation or obstruction?; 2) Management of myelomeningocele; 3) Ambiguous genitalia.

1995. Society for Paediatric Urologic Surgeons. Seromuscular colocolostomy. Philadelphia, PA.

1995- Tenth Congress of the International Pediatric Nephrology Association. Santiago, Chile. 1) New developments in bladder augmentation. 2) Renal transplantation in children with urologic disease, 3) Hypospadias, 4) Participant in round table discussions on exstrophy and epispadias, prenatally detected hydronephrosis and moderator of round table discussion on vesicoureteral reflux.

1995. American Academy of Pediatrics. Section on Urology. Moderator. Session on Urinary incontinence.

1995. Maryland Urological Society. New developments in bladder augmentation.

1995. Houston Urological Society. New developments in bladder augmentation

1995. University of Washington. New developments in bladder augmentation

1996. Northern California Urological Society. New developments in bladder augmentation.

1996. Recent Advances in Bladder Reconstruction. Saint James Hospital, Leeds, United Kingdom. 1) Artificial sphincter implantation, how I do it. 2). Long term results with the artificial urinary sphincter. 3) Seromuscular colocolostomy.

1996. Society for Paediatric Urologic Surgeons. Role of laparoscopy and the Jones approach in the non-palpable testes. York. United Kingdom.

1996. Sociedad Latino Americana de Urología Infantil. 9th Congress. Santiago, Chile. Panel moderator. Neurogenic bladder in children.

1996. Pediatric Urology Symposium for Primary Care Physicians. Birmingham, MI. Urinary incontinence in childhood. Urinary tract infections.

1996. Assoziiazione per la Spina Bifida. Ospedale Niguarda. Invited lecturer. Milan. Italy.

1996. Asociación Española de Espina Bífida. Annual meeting. Invited speaker. Seville, Spain.

1997. Asociación Española de Urología. Grupo de Urodinamia. Invited speaker. Bladder augmentation. The bladder outlet. Barcelona. Spain.

1997. Colegio Mexicano de Urología. Invited speaker. 1) New techniques for bladder reconstruction. 2) Current concepts in posterior urethral valves. Mérida. México.

1997. European Society of Pediatric Urology. Moderator of session on hypospadias. Rome, Italy.

1997. Society for Pediatric Urology. Moderator. Panel on sphincter enhancement. New Orleans, LA.

1997. Society for Paediatric Urologic Surgeons. Further experience with seromuscular colocolostomy. Seattle. WA.

1997. Sociedad Iberoamericana de Urología Pediátrica. Invited lecture. Hydronephrosis in children. Miami. FL.
1997. Sociedad Argentina de Urología. International Symposium: "Advances in Urology". Foreign guest. 1) Hypospadias. Present surgical strategies. 2) Bladder augmentation in children; 3) Mitrofanoff operation de; 4) Hydronefrosis. Buenos Aires, Argentina.
1997. Sociedade Brasileira de Urologia. Annual meeting. Invited speaker. Blumenau. Santa Catarina, Brazil.
1997. International Symposium on Spina Bifida. 1) "Surgical treatment of neurogenic bladder". 2) "Bladder augmentation preserving the urothelium". Kobe, Japan.
1997. Sociedad Argentina de Cirugía Infantil. Invited Speaker. San Martín de los Andes. Argentina.
1997. American Academy of Pediatrics. Section on Urology. Moderator. Video Session. Bladder neck reconstruction. New Orleans.
1997. Sociedad Española de Urología. Grupo de Uropediatría. Invited Speaker. Madrid, Spain.
1997. Curso Internacional de Cirugía del Hipospadias. Hospital Infantil "La Paz" Madrid, Spain.
1997. Sociedad Mexicana de Urología. Hospital Central Sur de Alta Especialidad PEMEX. Postgraduate course on management of impotence and incontinence. Invited speaker. Artificial urinary sphincter in the children. Mexico City. Mexico.
1998. Royal Children's Hospital. "New developments in bladder reconstruction". Melbourne, Australia.
1998. Minnesota Urological Society. "Annual Creevey Memorial Lecture". Evaluation and treatment of fetal urinary anomalies." Minneapolis, MN.
1998. American Urologic Association. Panel member. "The child who wets". San Diego. CA.
1998. European Society for Pediatric Urology. Moderator of session on Urinary incontinence. Salzburg, Austria.
1998. Sociedad Mexicana de Cirugía Pediátrica. XXXI annual Congress. Invited Professor. Hydronephrosis. Endoscopic Surgery. Neurogenic bladder. Cancún, México.
1998. University of Cincinnati Children's Hospital. Division of Urology. Visiting Professor. Cincinnati, OH
1998. Sociedad Argentina de Urología. Annual Meeting. Invited speaker. Buenos Aires, Argentina.
1998. American Academy of Pediatrics. Section on Urology. Panelist. Video Session. Hypospadias; and, Panelist, Interactive Session. Upper Urinary Tract. San Francisco. CA.
1998. European School of Urology. Course on Functional Urology. Invited Speaker. Urinary Incontinence in Children. Tenerife. Spain.
1999. European Society for Pediatric Urology. Moderator of session on Bladder Exstrophy. Istanbul. Turkey.
1999. European Society for Pediatric Urology. Panel member. Pediatric Urology in the World. North America and Latin America. Istanbul. Turkey.
1999. Society for Pediatric Urologic Surgeons. Total urogenital mobilization in congenital adrenal hyperplasia. Salzburg, Austria.
1999. Povisa. International Urology Course. Treatment of Urinary Incontinence in Children with Neurogenic Bladder. Vigo, Spain

1999. American Academy of Pediatrics. Section on Urology. Moderator. Session on reconstruction. Washington DC.
1999. Sociedade Brasileira de Urologia. Biannual Congress. Invited Professor. Rio de Janeiro, Brazil.
2000. Challenging Cases. Moderator of Session on Urethral strictures. Miami Beach, FL
2000. The 27th Pediatric Nephrology Seminar. Treatment of posterior urethral valves. Miami Beach. FL
2000. European Society for Pediatric Urology. Moderator, Video session. Prize committee for best poster. Tours, France.
2000. Povisa. International Urology Course. Invited lecturer Treatment of Epispadias. Vigo, Spain
2000. Society for Pediatric Urologic Surgeons. Update of outcome of seromuscular colocoloplasty. Ojai. California.
2000. Sociedade Portuguesa de Cirurgia Pediátrica. Invited lecturer. Treatment of urinary incontinence in children with anorectal malformations. Luso, Portugal.
2001. Challenging Cases. Moderator of Pediatric Session. Orlando, FL
2001. Treatment of antenatally detected hydronephrosis. Miami Beach. FL
2001. Pediatric Nephrology Week. Institute for Child Health. Great Ormond Street Children's Hospital. Postnatal Treatment of Posterior Urethral Valves. London. UK
2001. South Eastern Section. American Urological Association. Panel moderator. Durability of reconstruction using bowel segments in pediatric urology. New Orleans, LA.
2001. Society for Pediatric Urologic Surgeons. Long term outcome of fetal
2001. Curso de incontinencia urinaria. Invited lectures and surgical demonstrations. Santiago, Chile
2001. European Society for Paediatric Urology. Postgraduate course. Anorectal and cloacal malformations. Invited lecturer. Tübingen. Germany .
2001. European Society for Paediatric Urology. Postgraduate course. Invited speaker. Management of the bladder in the newborn with spina bifida. Urodynamics. Utrecht, Holland.
2001. American Academy of Pediatrics. Section on Urology. Moderator. Session on the testes. San Francisco, CA
2001. Asian Pacific Association of Pediatric Urology. Invited speaker. Master Class: Management of ectopic ureterocele. San Francisco, CA.
2001. 29th Annual Kimbrough Seminar. Guest speaker. The outcome of fetal intervention in obstructive uropathy. Seattle . WA
2002. The 29th Pediatric Nephrology Seminar. Current controversies in urinary tract infections. Miami Beach, FL
2002. 1ras Jornadas Pediátrico Quirúrgicas "Dr. Abelardo Yépez Viteri" Centor Médico Dr. Rafael Guerra Méndez. Lectures on fetal intervention for obstructive uropathy, neurogenic urinary incontinence. Valencia , Venezuela.
2002. Asociación Española de Urología. Invited speaker. Murcia, Spain
2002. American Urological Association. Take home message. Pediatrics. Orlando, FL.
2002. Society for Pediatric Urologic Surgeons. How I increase bladder outlet resistance in 2002. São Paulo, Brazil.
2002. Sociedad Argentina de Urología. Invited speaker. Buenos Aires, Argentina.
2002. Sociedad Iberoamericana de Urología Pediátrica. Invited lecturer.: fetal surgery

- in urology and Prenatal treatment of posterior urethral valves. Panama.
2002. Pediatric Nephrology Symposium. "Current controversies in urinary tract infections" Kosice, Slovakia.
2002. 13th Jefferson Urology Seminar. Faculty. Laparoscopy in children. What are the indications. Philadelphia.
2003. Masters of Pediatrics. University of Miami. Department of Pediatrics. Lecture Series. Lectures on vesicoureteral reflux and bladder dysfunction.
2003. International Meeting on Reconstructive Urology (IMORU II.) Hamburg, Germany. Faculty.
2003. The 30th Pediatric Nephrology Seminar. "Long term outcome of fetal intervention." "Are there any indications for antireflux surgery in 2003?" Miami Beach, FL
2003. European Society of Pediatric Urology. Invited speaker: John Duckett Memorial Lecture: "New methods of bladder reconstruction" Madrid. Spain.
2003. Bladder dysfunction symposium. Invited surgeon and speaker. Aachen, Germany.
2003. Annual Meeting of the Spanish Pediatric Nephrology Association. Invited speaker and panel member. Avila, Spain.
2003. Mid-atlantic Section. American Urological Association. Panel participant. Laparoscopic surgery in children.
2003. American Academy of Pediatrics. Section on Urology. Panel participant. Bladder augmentation. New Orleans, LA.
2003. American Academy of Pediatrics. Section on Urology. Moderator of session on reconstruction. New Orleans, LA.
2003. Cedars Sinai. Urology 2003. Invited surgeon and speaker. Los Angeles, CA.
2004. Nederlandse Vereniging voor Urologie (Dutch Urological Society). Invited lecturer. "Posterior urethral valves, current management". Nieuwegein, Holland.
2004. European Society of Paediatric Urology. Session moderator "Hypospadias" and "Pain control". Regensburg, Germany.
2004. Society for Genitourinary Reconstructive Surgeons. Invited speaker. "The artificial urinary sphincter". San Francisco, CA
2004. The 31th Pediatric Nephrology Seminar. "Renal transplantation in children with reconstructed bladders". Miami Beach. FL
2004. Sociedad Iberoamericana de Urologia Pediatrica. "Experiences with laparoscopic urologic surgery in children." Punta Cana, Dominican Republic. Invited lecture.
2005. 6th International meeting on vesicoureteral reflux. Panel moderator. Case discussions. Madrid, Spain.
2005. European School of Andrology. Guest lecturer. "Artificial urinary sphincters in males." Belgrade, Serbia and Montenegro.
2005. Ransley Festschrift. Royal College of Surgeons. "Complete closure of bladder exstrophy. 1 stage, why wait?" Invited speaker. London, United Kingdom.
2005. European Society for Paediatric Urology. Session moderator "Bladder augmentation" Uppsala, Sweden.
2005. III Jornadas de Cirugía Infantil Hospital Ezequiel González Cortés. Invited Professor. Santiago. Chile.
2005. Society for Pediatric Urologic Surgeons. Laparoscopic renal surgery in children. New York, NY
2005. Indian Association of pediatric Surgeons. Invited Speaker. "Posterior urethral valves", "Evaluation and treatment of UPJO", "Evaluation and treatment of the child who wets". Bangalore, India.

2005. Puerto Rican Urological Society. Invited Speaker. ."Posterior urethral valves", "Laparoscopic renal surgery in children". Punta Verde, PR.
2006. European Society for Paediatric Urology. Session moderator "Reflux". Athens, Greece.
2006. Schweizerische Gesellschaft für Kinderchirurgie. Annual meeting. Invited Speaker. Bellinzona, Switzerland
2006. Inselspital. University of Berne. Hypospadias Workshop. Invited speaker." Repair of proximal hypospadias" Berne, Switzerland.
2006. American Urological Association. Annual Meeting. Moderator. Video Session III. Atlanta, GA
2006. Society for Pediatric Urologic Surgeons. Laparoscopic pyeloplasty in children. St Maxime, France
2006. Association des Urologue du Quebec. Annual Meeting. Invited Speaker. Quebec City, QE Canada
2007. European Society for Paediatric Urology. Belgium. Moderator of Session on Vesicoureteral Reflux. Bruges, Belgium.
2007. World Congress of Pediatric Surgeons. Invited lecture on Hypospadias. .Moderator of session on Vesicoureteral reflux. Buenos Aires, Argentina
2007. Schweizerische Gesellschaft für Kinderchirurgie. Annual meeting. "Paediatric Urology 2007". Max Grob Lecturer. Bern, Switzerland
2007. Hospital Italiano de Buenos Aires. Course on Urinary Incontinence. Invited Speaker. "Bladder augmentation ". Buenos Aires, Argentina.
2008. American Urological Association. Moderator Video Session in Pediatrics, annual meeting, Orlando, FL
2008. Symposium in honor of Dr. Michael Mitchell. Invited speaker. "Are we nearer the goal of augmenting the bladder without intestinal mucosa?". Seattle, Washington.
2008. Society for Pediatric Urological Surgeons. Moderator of session on Vesicoureteral Reflux. Presentation: "Determinants of success and failure in seromuscular colcystoplasty lined with urothelium." Madrid, Spain.
2008. American Academy of Pediatrics, Annual Meeting. Master class. Artificial urinary sphincter. Boston, MA.
2008. Societè International d'Urologie. Uro-oncology Update..Moderator session on testicular tumors. Invited lecture: "Malignancy risks with augmenation in children". Santiago, Chile.
2009. European Society for Paediatric Urology. 20th Annual Congress,. Moderator of Session on Neurogenic Bladder. Amsterdam, The Netherlands
2009. Sociedad Mexicana de Cirugía Infantil Centro Médico La Raza. Course on Hypospadias. Invited speaker, Lectures: Surgery of Hypospadias, Mitrofanoff laparoscópico. Uretero-ureterostomía ipsilateral laparoscópica Mexico City, Mexico.
2009. Curso intensivo de reconstrucción genital Invited speaker Lectures on dista hypospadias, Proximal hypospadias and Feminizing genitoplasty. Hospital La Paz, Madrid, Spain
2009. Updater course in Laparoscopic Surgery. Italian Hospital of Buenos Aires. . Invited speaker., Buenos Aires, Argentina.
2009. German Paediatric Urology Group. Invited Speaker. Munich, Germany.
2009. University of Vienna and Allgemeine Krankenhaus. Vienna, Austria Invited speaker. Hypospadias workshop.
2010. Society for Pediatric Urologic Surgeons. Current trends in Hypospadias repair Versailles, France.

2010. Paediatric Urology Symposium, Sindh Institute for Urology and Transplantation. (SIUT). Invited speaker. Karachi, Pakistan

2010. University of Alexandria, Egypt. Visiting Professor . Alexandria, Egypt

2011. European Society for Paediatric Urology. 22^h Annual Congress. Moderator of Session on Laparoscopy. Copenhagen, Denmark.

2011. Society for Pediatric Urologic Surgeons. Uroflow studies after hypospadias repair, A review. Buenos Aires, Argentina

2011. National Urology Symposium. Kaiser Permanente. Invited speaker. San Francisco, CA. USA

Future engagements.

Paediatric Urology Symposium, Sindh Institute for Urology and Transplantation. (SIUT).

Invited surgeon and speaker. Karachi, Pakistan

Visiting Surgeon. Linz, Austria.

Publications. (Not including abstracts).

398.

3 Books edited, 228 Peer reviewed papers, 67 Book chapters, 35 Editorials, 18 Letters to the Editor, 39 Invited and non-reviewed papers, 8 Videos and Motion pictures

BOOKS

3. Handbook of Urological Diseases in Childhood. . **González R**, Ludwikowski B, Editors. Singapore World Scientific, ISBN 981-4287-40-7; 2011.

2. Incontinencia Urinaria. **González R**, Castro Díaz D eds. Actualizaciones Urológicas. Mallo N, Zungri E series eds. Barcelona: Pulso ISBN 84-86671-14-0, 1993.

1. Mielomeningocele. Tratamiento Urológico. Martínez Agulló E, De Badiola F, Beamud A, Brostera Rico E, Conejero Sagrañes J, **González R**, Rosenbaum T, Ruiz Cerdá JL. Madrid: Federación Española de Asociaciones de Espina Bífida. GraficuarTE SL 1990.

PEER REVIEWED PAPERS

228. Aromatase deficiency. A seldom recognized cause of fetal virilization. Ludwikowski B, Heger S, Datz N, Richter-Unruh A, **González R**. Arch Dis Child. In preparation

227. Infant Feeding Preference Is Associated With Acquired Nonsyndromic Cryptorchidism: A Prospective Case-Control Analysis Spencer Barthold J, Reilly A, Figueroa TE, BaniHani A, **González R**, Noh P, Manson J. Pediatrics submitted.

226. The controversy regarding the need for hormonal treatment in boys with unilateral cryptorchism goes on. Systematic review of the literature. Ludwikowski B, **González R**. Eur. J Pediatr. In press.

225. Urethral atresia and anhydramnios at 18 weeks of gestation can result in normal development. Stalberg K, **González R**. J Pediatr Urol. 2011 Dec 8. [Epub ahead of print] PMID:22154830
224. Ureteral Obstruction following injection of dextranomer/hyaluronic acid copolymer. An infrequent but relevant complication. Mazzone L, Gobet R, **González R**, Zweifel N, Weber DM. J Pediatr Urol. 2011 Oct 22. [Epub ahead of print] doi:10.1016/j.jpuro.2011.10.002
223. A minimal invasive surgical approach for children of all ages with UPJ obstruction. Subotic U, Rohard I, Gobet R, Weber D, Moehrlen U, **González R**. J Ped Urol. 2011. Jul 27. [Epub ahead of print]
222. The importance of uroflow determination after hypospadias repair. A systematic review. Ludwikowski B, **González R**. Int J Urol. 2011 Nov;18(11):757-61. doi: 10.1111/j.1442-2042.2011.02839.x. Epub 2011 Aug 30. PMID:21883491
221. Pediatric Laparoscopic Pyeloplasty: Lessons learned from the first 52 cases. Chacko LA, Piaggio LA, Neheman A, **González R**. Journal of Endourology. 2009; 23(8) 1307-11
220. Determinants of success and failure for seromuscular colocoloplasty lined with urothelium (SCLU). González R, Ludwikowski BM, Horst M. Journal of Urology. 2009; 182 (Suppl):1781-4.
219. Analysis of five single nucleotide polymorphisms in ESR1 in cryptorchidism. Wang Y, Barthold JS, Figueroa TE, **González R**, Noh PH, Wang M, Manson J. Birth defects Research (Part A) 2008; 82(6): 482-5
IF 1.548
218. Iatrogenic ureteral injury after laparoscopic cholecystectomy in a 13-year-old boy. Chacko J, Figueroa TE, Barthold JS, **González R**. Journal of Pediatric Urology, 2008; 4(4):322-4
- 217.[Management of reflux in patients with myelomeningocele]. **González R**, Ludwikowski BM. Archiv Esp Urol. (in Spanish) 2008, 61(2): 208-12
216. Laparoscopic reconstructive surgery in children weighing ten kilograms or less: A comparison with open surgery. Neheman A, Piaggio LA, Noh PH, **González R**. Journal of Pediatric Urology, 2008; 4(3):192-6
215. Laparoscopic urinary tract surgery in infants weighing 6 kg or less: perioperative considerations and comparison to open surgery. Neheman A, Piaggio LA, Brenn R, Noh PH, **González R**. J Urol, 2008;179:1534-8

IF 3.956

214. A new HFGS family with a +14 polyalanine expansion mutation and molecular characterization of HOXA13 polyalanine expansion proteins. Utsch B, McCabe CD, Galbraith K, **González R**, Born M, Dötsch J, Ludwig M, Reutter H, Innis JW. *Amer J Med Gen.* 2007;143(24): 3161-8

IF 2.479

213. Transperitoneal laparoscopic vs open pyeloplasty in infants and children. Piaggio LA, Frank-Guimond J, Barthold JS, Noh PH, Wehry M, Figueroa TH, **González R**. *J Urol*, 2007; 178:179-83

IF 3.956

212. Initial experience with laparoscopic ipsilateral uretero-ureterostomy in infants and children for duplication anomalies of the urinary tract. **González R**, Piaggio LA, *J Urol.* 2007 ; 177: 2315-8.

IF 3.956

211. Laparoscopic transuretero-ureterostomy. A novel approach. Piaggio LA, **González R**, *J Urol*, 2007; 177: 2311-4

IF 3.956

210. Reoperative laparoscopic pyeloplasty in children. Comparison with open surgery. Piaggio LA, **González R**, *J Urol*, 2007 ,177:1878-1882

IF 3.956

209. Influence of type of conduit and site of implantation on the outcome of continent catheterizable channels. Piaggio L, Myers S, Figueroa TE, Barthold JS, **González R**. *Journal of Pediatric Urology*, 2007; 3(3): 230-4

208. Hazard of botulinum toxin type A injection in the detrusor in patients with artificial urinary sphincter. Mazzone L, Weber D, van der Hoeft M, Gobet R, **González R**. *Journal of Pediatric Urology.* 2006, 2 (5) : 399-401

207. Ambiguous genitalia. **González R**, Piaggio LA. *Current Opinion in Urology.* 2006 Jul;16(4):273-276.

206 Comparison of laparoscopic and open partial nephrectomy for duplication anomalies in children. Piaggio L, Franc-Guimod J, Figueroa TE, Barthold JS, **González R**. *J Urol.* 2006, 175:2269-73

IF 3.956

205. Simplified technique to create a concealed catheterizable stoma: the VR flap. Franc-Guimond J, Figueroa TE, **González R**. *J Urol.* 2006; 175:1088-1091.

IF 3.956

204. Effectiveness of implantating catheterizable channels into intestinal segments. Franc-Guimond J, **González R**. *Journal of Pediatric Urology.* 2006; 2:31-33.

203. Surgical treatment of neuropathic urinary incontinence in 2005. **González R**, Myers S, Franc-Guimond J, Piaggio L. Journal of Pediatric Urology. 2005;1(6) :378-382
- 202 Urinary continence is well preserved after total urogenital mobilization. Kryger JV, **González R**. J Urol .2004; 172:2384-6
IF 3.173
- 201 .Renal transplantation in children with abnormal bladders. Franc-Guimond J, **González R**. Transplantation. 2004;77(7):1116-20.
IF 3.544
200. The anterior sagittal transrectal approach (ASTRA) for traumatic urethrovaginal fistula closure. Mauermann J, **González R**, Franc-Guimond J, Filipas D. J Urol. 2004;171:1650-1
IF 3.173
199. Epidemiology of congenital cryptorchidism, testicular ascent and orchidopexy. Barthold JS, **González R**. J Urol. 2003; 170: 2396-2401
IF 2.668
198. Experience with the Bailez technique for laparoscopic access in children. Franc-Guimond J, **González R**. J Urol. 2003; 170 (3) 936-8.
IF 2.668
197. Nefrectomía laparoscópica en niños: vía transperitoneal versus vía retroperitoneal. Lorenzo Gómez M F, **González R**. Archiv Esp Urol. 2003; 56(4): 401-13.
196. Beneficial effects of continuous overnight catheter drainage in children with polyuric renal failure. Montané B, Abitbol C, Seeherunvong W, Chandar J, **González R**, Zilleruelo G. BJU Int. 2003 ; 92(4):447-51.
IF:1.282
195. Strategies for urinary tract reconstruction in myelomeningocele. **González R**, Schimke CM. Curr Opin Urol. 2002 Nov;12(6):485-90
194. Treating neuropathic incontinence in children with seromuscular colcystoplasty and an artificial urinary sphincter. **González R**, Jednak R, Franc-Guimond J, Schimke CM. BJU Int. 2002 Dec;90(9):909-11.
IF:1.282
193. Long term results of treatment of urinary incontinence resulting from urethral trauma in women. Ardelean MA, Cabral B, **González R**. J Pelvic Surg. 2002; 8(3): 173-5
192. Ureteropelvic junction obstruction in infants and children. **González R**, Schimke CM. .Pediatr Clinics N Amer. 2001;48:1505-18.

27. Editorial comment re: Vaginoplasty. In: Hinman FJr and Baskin LS. *Atlas of Pediatric Urology*. **González R**. 2009 Philadelphia: Saunders, Elsevier,
26. Editorial comment re: Dorsal lumbotomy. In: Hinman FJr and Baskin LS. *Atlas of Pediatric Urology*. **González R**. 2009 Philadelphia: Saunders, Elsevier,
25. Editorial comment re: 3D Neuroanatomy of the human fetal pelvis: Anatomic support for the partial urogenital mobilization in the treatment of urogenital sinus. By Kalfa et al. Ludwikowski B, **González R**. *J Urol*. 2008;180 (4, sup 1):1714-5
24. Editorial comment re: Artificial urinary sphincter in children: voiding or emptying? An evaluation of functional results in 44 patients. By: Catti M, Lortad-Jacob S, Morineau M, Lottmann H. **González R**. *J Urol*. 2008; 180(2):693
23. Editorial comment re: The non-secretory intestinocystoplasty: a 15 year

prospective study of 183 patients. By Lima SVC, Araujo LAP, Vilar FO, Lima R, Lima RFB. **González R.** J Urol. 2008; 179:1116-7

22. Editorial comment re: The posterior sagittal approach for recurrent genitourinary pathology. By Alam S, Levitt MA, Sheldon CA, Peña A. **González R.** J Urol. 2007; 178:1671

21. Editorial comment re: Vesicoscopic cross-trigonal ureteral reimplantation: A minimally invasive option for repair of vesicoureteral reflux. By Canon SJ, Jayanthi VR, Patel AS. **González R.** J Urol. 2007; 178:273

20. Editorial comment re: Transperitoneal and retroperitoneal laparoscopic heminephrectomy: what approach for which patient? By Castellan M, Gosalbez R, Carmack AJ, Prieto JC, Perez-Brayfield M, Labie A. **González R,** J Urol. 2006. 176(6):2639

19. Editorial comment re: Outcome analysis of retroperitoneal laparoscopic heminephrectomy in children. By Wallis MC, Khoury AE, Lorenzo AJ, et al. **González R,** Franc-Guimond J. J Urol 2006 175: 2281-2

18. Editorial comment re: Surgical reconstruction of cloacal malformation can alter bladder function: a comparative study with anorectal anomalies. By Warne SA, Godley ML, Wilcox DT. **González R.** J Urol 2004; 172: 2381

17. Editorial comment re: Non-secretory intestincystoplasty: A 10 year experience. By Lima SVC, Araujo LAP, Vilar FO. **R González R.** J Urol. 2004: 171: (6 part 2) :2639.

16. Editorial comment. Re: Long term evaluation of metabolic profile and bone mineral density following ileocystoplasty in children. By Hafez AT, McLorie G, Gilday D, Laudenberg B, Upadhyay J, Babli D, Khoury AE. **González R.** J Urol 2003; 170 (4 part 2): 1641-2.

15. Editorial comment Re: Bladder neck cinch for pediatric neurogenic outlet deficiency. By Bugg CE, Joseph DB. **González R.** J Urol. 2003; 170 (4 part 2) : 1503

14. Editorial comment. Re: Management of urinary extravasation in 18 boys with posterior urethral valves, by Patil KK, Wilcox DT, Samuel M, Duffy PG, Ransley PG. **González.** J Urol 2003; 169:

13. Editorial comment. Re: Tubularized incised urethral plate: Functional outcome after intermediate follow up by Hommuda HM, El-Ghonemi A, Baegli DJ. **González.** J Urol. 2003; 169:333

12. Editorial comment re: Cup-patch technique for bladder enlargement or partial substitution by Goodwin WE, Winter CC, Barker WF. Surg. Gyn. Obstet. 1959; 108: 240-4. **R González.** J Urol 2002; 168:671 .

11. Editorial comment re: Pressure-flow measurement of hydronephrosis in children.

A new approach to definition and quantification of obstruction. Wahlin N, Magnusson A, Persson AE. et al. **González R.** J Urol. 2001; 166:1847.

10. Editorial comment re: Ectopic ureteroceles, results of open surgical therapy in 40 patients. DeJong TPVM, Dik P, Klijn AJ , et al. **González R .** J Urol. 2000;164:2043-44

9. Editorial comment. Re: Management of ectopic ureteroceles associate with duplication.: A comparison between partial nephrectomy and endoscopic decompression. Husman D, et al. authors. **González R.** J Urol. 1999; 162:1409.

8. Editorial comment. **González R.** Re: Mitrofanoff gástrico continente modificado. Blanc CF, Streit D, Sato G, Carvalhal GF, Tefilli MV, Baratta HF, Dalul AR.. Rev Argent Urol.1998; 63:81-85.

7. Renal transplantation into abnormal bladders. Editorial . **González R.** J Urol 1997; 158:895-896.

6. Editorial comment. Re: "Urodynamic evaluation of hypospadias repair" by van der Werff, Boeve, Brusse and van der Meulen. **González R.** J Urol 1997; 157:1346.

5. Editorial comment.. Re: Experimental assessment of small intestinal submucosa as a bladder substitute. Kropp BP, Eppley BL, Prevel CD, et. al. **González R** Urology. 1995; 46:396-400.

4. Editorial comment re: Megacalicosse em crianças. **González R.** Jornal Brasileiro Urologia 1991; 17:75.

3. Enterocistoplastia y cancer. Editorial. Castro Díaz D, **González R.** Urodinámica Aplicada 1991; 3:1.

2.Tratamiento quirúrgico de la incontinencia esfinteriana neurógena. **González R** Editorial. Urodinámica Aplicada 1990; 2:164.

1. Editorial comment re: Strictures in the ileal portion of ileocecal conduits in children and young adults. **González R.** J Urol 1988; 141:122.
